Sample Notice to Affected Subscribers

Dear Valued Customer:

This is an important notice required by the Iowa Utilities Board (“**IUB**”) and the Federal Communications Commission (“**FCC**”) concerning your local and long distance telecommunications services.

Shellsburg Cablevision, Inc. d/b/a USA Communications (“**USA**”) has agreed to acquire the Coon Creek Telephone Company and Coon Creek Telecommunications Corp. (collectively “**Coon Creek**”) local exchange network serving the communities of Blirstown, Belle Plaine and Marengo, Iowa. Pending final regulatory approval, we anticipate this acquisition will close, effective on or about June 30, 2018.

The acquisition will result in a change of your local and long distance carrier. Following the acquisition, USA will assume direct responsibility for the provisioning of local telecommunications services and long distance services previously provided to you by Coon Creek. **This change will not affect your existing services or rates. Your telephone number will not change.** Going forward, USA will notify you in writing at least 30 days in advance of any future changes to your local or long distance services or rates.

Prior to and following the closing date, USA and Coon Creek will work cooperatively to ensure a seamless transition for customers. Prior to the closing date and for a limited transitional period, Coon Creek will be responsible for receiving any inquiries, complaints or changes to your service. Following the closing date and any transitional period, USA will be responsible for receiving any inquiries, complaints or changes to your service. In order to ensure that any service-related issues or other concerns are addressed, USA and Coon Creek will coordinate to handle service orders, billing inquiries, customer service inquiries or other customer communications.
